SEPTEMBER CALENDAR OF ACTIVITIES

September 3, 2018

PSLP # 5, SY 2018-2019

Dear Parents,

As we end August with much gratitude for the enthusiastic support you have given us to make the celebration of *Buwan ng Wika* memorable for our pupils, we welcome September with joyful anticipation.

With this month's theme, "**Science is the Best Pal for Life**" we are thrilled to expose and engage our pupils in activities that stimulate their curiosity and sense of wonder for the natural world. Integrating **Responsibility** as the value in focus for this month, we shall continue to promote responsible stewardship by continuing our campaign in saving Mother Earth. We enjoin you to help us teach the children, through concrete acts of love for Mother Earth, that they are global citizens with a role to play in preserving the earth's resources for themselves and the future generations.
